INCLUSION & SPECIAL NEEDS

The JCC actively seeks and supports the participation of children with special needs in our inclusive camp program. It is beneficial for all children to have the chance to socialize with each other as friends and campers. In order to provide a safe and rewarding experience for all campers, children with special needs will be required to meet with camp staff prior to the start of camp. This meeting will address camper’s individual needs and appropriate accommodations. Families may also be required to provide additional documentation along with a teacher’s assessment. Our inclusion program includes campers who have a diagnosis, medical needs, an IEP, IFSP, 504 Plan, or any behavioral plan implemented at school or in past programs at the JCC. Space in our inclusion program is limited.
An additional fee of $150 is assessed to campers with special needs to make these accommodations.

For more information, to schedule an intake meeting, or if you are uncertain if your child would qualify, contact: Bernie Camp: Lauren Fredman, Bernie Camp Director • 801.581.0098 ext. 135
Camp K’Ton Ton: Rebecca Pettersson, ECC Child Development Coordinator • 801.581.0097
Bernie Camp is a place where campers will learn, grow, and create life-long friendships while having fun and participating in a variety of engaging activities. Campers experience swimming, athletics, arts & crafts, and field trips, while gaining invaluable 21st century skills that will help them interact with the world around them now and in the future. Bernie Camp creates a tight-knit community of campers, staff members, and families and is rooted in the Jewish values of Kavod (Respect), Kehilah (Community), Chesed (Kindness), and B’Tzelem Elohim (Value of Each Individual). Join our Bernie Camp community for an unforgettable summer experience! Bernie Camp is for children entering 1-10 grade with different group options depending on grade.

K’Ton Ton is Hebrew for “little one,” and our JCC’s Early Childhood Center is the setting for Camp K’Ton Ton (CKT) because our focus is on enriching the lives of young children by building friendships, fostering discovery and, most of all, having summertime fun! CKT campers will have many opportunities to actively explore the entire JCC as well as natural outdoor environments and the surrounding SLC community — from rock climbing to swimming lessons, creative arts and movement, field trips, special guests, and plenty more!

This year’s camp theme is Ahava, which in Hebrew means love.

Our focus will be on helping children develop a love for learning, making new friends, exploring our community, nature, swimming, and the arts. We hope you will join us for another incredible summer of fun!

The Sea Squids program is designed for pre-competitive swimmers ages 4-6. Our goal is to provide a safe, fun learning environment for our young swimmers. The Sea Squids program is not a learn-to-swim program. This is a transition program between the learn-to-swim program (where kids develop the foundations of swimming and water safety) and a recreational swim team (where kids develop the competitive strokes and compete in meets). Sea Squids do not need to be proficient at any stroke to participate. Sea Squids should be unafraid of the water and potty trained. There will be several coaches in the water at all times with the Sea Squids. If your child is registered for K’ Ton Ton Summer camp we are happy to transition your child from camp to swim practice but children must be picked up at the pool from practice.
