INCLUSION & SPECIAL NEEDS

The JCC supports the participation of children with special needs in our inclusive camp program. It is beneficial for all children to have the chance to socialize with each other as friends and campers. In order to provide a safe and rewarding experience for all campers, **children with special needs will be required to meet with camp directors prior to registration.** This meeting will address camper's individual needs and appropriate accommodations. Families may also be required to provide additional documentation.

Space in our inclusion program is limited

An additional fee of \$150 is assessed to campers with special needs to make these accommodations

For more information, to schedule the intake meeting, or if you are uncertain if your child would qualify, please contact:

Bernie Camp creates a fun and welcoming community fostering a deep sense of belonging and connection with Jewish values in every camper and staff member.

At Bernie camp, we provide a nurturing, enriched day camp experience that celebrates the vitality of childhood. Here, every camper and staff member feels a deep sense of belonging to our community and Jewish values. Campers build community and personal integrity through group activities, challenges, sports, arts, and Jewish cultural experiences. Bernie camp is a revolving door, where campers form meaningful, lifelong connections; carry the values of camp home with them; and return to give back to camp and develop professionally as young adults. Join our Bernie Camp community for an unforgettable camp experience. Bernie Camp is for children entering 1-10 grade, with different group options depending on grade.

THIS YEAR’S CAMP THEME IS *B’YACHAD!*

Summer 2021 we are celebrating *B’Yachad* - Together! This year we are taking time to appreciate that the simple gifts of being together again are enough to be grateful for. Summer 2021 will celebrate all that we can achieve, together! It’s tough to play Gaga ball on your own, perform a solo talent show, or execute a lonely trust fall. Together, we will rediscover the sportsmanship of games, collaboration of performance, ingenuity of group challenges, and the positive impact we can have on the world when we work together.

“Wherever we go, whatever we do, we’re gonna go through it *B’Yachad!*”
